Answer the following questions on your own piece of paper in complete sentences.
Be thorough and thoughtful.
Use your best penmanship.

1. (A) How did Confucius become a teacher?
   (B) Confucius would teach only those students who wanted to learn. How does his rule apply to your experience as a student?

2. (A) What were the basic teachings of Confucius?
   (B) Why did Confucius think it was important to teach rulers how to behave?

3. (A) How did the ideas of Confucius change the way civil servants were chosen in ancient China?
   (B) Confucius hoped to become a government worker, but he became a teacher instead. Do you think his influence on Chinese society would have been different if he had gotten his wish? Explain your answer.
